Workshop 2 Week 7

The Love of the Father

Catechetical Institute

What did Jesus save us **from**?

What did Jesus save us **for**?

What student would most benefit from an example of especially loving care in imitation of Jesus' self-sacrificial love? Find an occasion this week to show that love to him/her.

DISCUSSION: How did the death and resurrection of Christ reconcile all the rest of us with the Father? Why would one person's death make another person forgiven? Is that logical?
