Workshop 3: Week 8

Who is God?

Bishop Barron

What does God's name reveal about His nature?

How does God prove that He is a personal God, not just a force in the universe?

This week I will have a conversation with God in prayer thanking Him for his love and closeness to me. When will you have this conversation? Write down the day and time below.

DISCUSSION: In the video, Bishop Barron quotes St. Augustine and says that God is "closer to me than I am to myself." What does this mean and is that true?
