Workshop 2: The Kerygma Week 2

The Proclamation of the Good News

Catechetical Institute

What does “Kerygma” mean?

What is the twofold command Jesus first gave as related in the Gospel of Mark?

The apostles were martyred for sharing this good news because some didn't want to hear it. This week **who in your family or work life** could you help to recognize that this good news is worth celebrating?

DISCUSSION: What makes the Gospel stand out from other religions as good news that is worth sharing?
