Workshop 5 Week 19

## The Divine Persons Reveal One Another

Franciscan Catechetical Institute

Who does the Son reveal? Who does the Holy Spirit reveal? Who does the Father reveal?

Did Jesus come to do His will?

For each person of the Trinity to "introduce each other", what is required?

DISCUSSION: Jesus says "truly, truly, I say to you, the Son can do nothing of his own accord, but only what he sees the Father doing" (John 5:19). How should this scripture shape our attitude in prayer? Do I have a relationship specifically with God the Father? How can I get to know the Father more this week?
